

SCIENCE

Evolution

As Scientists, we will identify how creatures have changed over time. We will also focus on how animals have adapted to suit their environments.

Week 1 **Co-operation**

Create musical instruments using recycled materials!

Week 2 **Inspiration**

Marie Curie Daffodil Day
Wear Something **Yellow**.

MATHS

In Maths, we will be following on from our learning about fractions to learning about decimals and percentages and how they link together.

YEAR 6 HOME LEARNING SPRING 2 2021

Success for All

SOUTH KIRKBY ACADEMY
Dedication Aspiration Co-operation Inspiration

Please Remember:

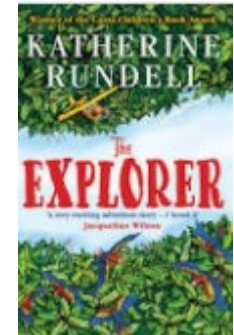

- Ensure you take regular short breaks
- Ensure you keep hydrated
- Eat heathy snacks
