

As Writers we will examine myths and legends from around the world. We will be writing our own versions based on our own locality of South Kirkby and the local environment.

As artists we will learn about the great artists, and improve mastery of techniques including drawing and painting with a range of materials.

# JOURNEYS

As Geographers we will identify and understand key features of coastal regions around England.

As Musicians we will discover and evaluate music from across a range of genres including great composers. Including tradition songs and sea shanties.

As Religious educators we will study Hinduism- and the importance of the River Ganges to the religion..

As Scientists we will identify and Forces and magnets. To understand magnetic force. Attract and repel. Understanding two poles.

**Year 3 Lyon and Milan**

**Summer Term 2021.**
