## Year 6 SATs – Current Arrangements & Revision Guides

Dear parents and carers,

As you may be aware, the disruption that Covid-19 has caused over the past two years has meant that children all over the country have not completed their usually statutory tests, from primary school right through to high-school and beyond. At the moment, the plan is that the current children will be completing their end of Key Stage 2 SATs in May.

**This year, SATs week will commence on Monday 9<sup>th</sup> May 2022 and shall run until Thursday 12<sup>th</sup> May 2022.**  
**All children must be at school during this week.**

Over this period, the Year 6 children will sit six different tests in the following order:

Monday 9 <sup>th</sup> May 2022	Tuesday 10 <sup>th</sup> May 2022	Wednesday 11 <sup>th</sup> May 2022	Thursday 12 <sup>th</sup> May 2022
Spelling, Punctuation & Grammar – Paper 1 & 2	English - Reading	Maths – Arithmetic Reasoning 1	Maths – Reasoning 2

The children will be thoroughly prepared for this week by our brilliant school staff through excellent teaching, targeted intervention and revision groups. At three points of the year – with the first being at the end of November – the children will also sit a ‘practise SATs week’, where we shall run the tests exactly as they will run in May. This is so the children are as relaxed about it as possible, with there being no surprises come the ‘real deal’ in May!

In addition to this, we shall be running parent meetings in the spring term to guide you through past papers and how we will support your children throughout this academic year and the testing process; you will of course have plenty of opportunity to speak to myself, Sharon Maiden (Headteacher) and the Year 6 team (Kieran Reynolds and Faye Donald) too.

To further support your children with their learning at home, we can recommend some useful additional resources for your child to practise the kind of questions they will be answering in the May tests, linked to the content they have been learning at school. The ‘CGP SAT Buster’ books are available to school at a cheaper cost than the retail value. We are offering the following bundles:

- KS2 Maths SAT Buster Book 1 Bundle (with answers) – Retail price: £10 – School price: £5**
  - KS2 English Reading SAT Buster Book 1 Bundle (with answers) – Retail price: £10 – School price: £5**
  - KS2 English SPaG SAT Buster Book 1 Bundle (with answers) – Retail price: £10 – School price: £5**
- A selection of work books (first in the series – book 1) plus matching answer books.*

**Year 6 Maths & English – 10-minute Weekly Workouts 5 Book Bundle – Retail Price: £24 - School price: £9**  
*10-minute weekly workout books, perfect for breaking practise down into bite-sized chunks.*

Later on in the year, we shall offer the second set of bundles at the same cost. Please visit [www.cgpbooks.co.uk](http://www.cgpbooks.co.uk) if you would like to find out more information about the books or view the other revision resources products available.

I have included an order form on the reverse of this letter should you wish to purchase any revision resources through school. **Children who are eligible for the pupil-premium funding will receive the ‘10-minute Weekly Workouts 5 Book Bundle’ free of charge and there is no need to fill out an order form.**

Headteacher: Mrs Sharon Maiden

Please fill out the following order form and return to school in an envelope with the money enclosed by **Friday 3<sup>rd</sup> December 2021**. We will then be able to place an order with CGP and have these handed out after the Christmas break for the spring term in January.

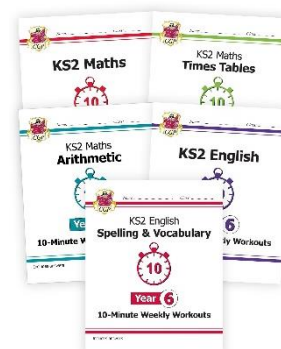

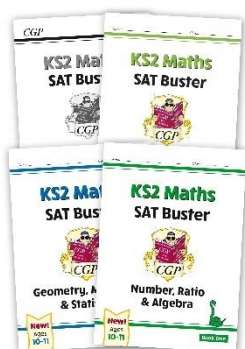

If you would like to pay for your order in instalments, please contact the school office where we set up a payment plan for you.

We will also be offering resources for all children – such as pencils, pens, rulers and rubbers – which will be free for you to collect from the office should you need them.

Thank you for your ongoing support with your child's learning. I appreciate that this is a lot of information – if you have any questions at all, please contact your child's class teacher or catch me at the beginning or end of the day.

Mr Adam Potter  
 Deputy Headteacher
