Autumn Events

Dear families,

Thank you if you filled out our summer term parent and carer survey – filling out these surveys helps us know what we are doing well as a school and what we need to improve on.

From some of your comments, we have realised that sometimes we do not always give you enough notice for events going on at school which require parents and carers to attend.

With that in mind I am sharing an Autumn Calendar with you all with proposed events for the next term. Of course, items will be added and dates may be subject to change, but it will hopefully help with planning time off work etc. For each event, more detailed information will be shared nearer the time.

This will also be uploaded to our school website when it has been updated. I hope you find this information useful.

Mr Adam Potter
Head of School
