

Mr Potter's

Hall of FAME!

Create an A4 sheet showing off a hobby or something you are proud of outside of school. This could be anything from baking cakes with a family member to going on a long bike ride, or achieving a medal in gymnastics to playing every weekend for your football or rugby team. Can you link it to your 'SKA 50 Things?'

This must have your name on it in big writing and a photograph of you doing the thing you are proud of. These will be framed and displayed around our school for everyone to see and celebrate so it must be your best work. If you need any pens, pencils or paper, please ask your teacher. Hand your finished sheet to Mr Potter by Friday 10th March 2023.
