Head of School: Mr Adam Potter

Dear Parents/Carers,

I am writing to you to let you know all about our plans for World Book Day 2023, where children will have opportunity to come to school in non-uniform or to dress up as their favourite book character, if they would like to. There is no pressure to purchase a book day outfit and no charge or donations required to wear non uniform.

As well as this we will be running a competition in school for the best dressed classroom door – every class will choose a book to base this on and then spend time in the run up to the day creating items to add to their classroom door. The winner will then be chosen and a prize given to the winning class.

We have lots of exciting and fun activities the children will get chance to take part in throughout the day including 'The Great Big Footy and Booky quiz, which is a nationwide quiz that all classes will be involved in. During the quiz, different 'famous' names will take part in reading the questions and promoting their love of books.

If your child would like to bring in their favourite book from home and share it with their class they are also more than welcome to. We have been working hard as a school to promote children's love of reading so it would be great to see what books they are interested in at home.

We look forward to having a fun-filled day in school, celebrating all that is reading.

Thankyou
Mrs Lucie Hall
