Year 6 Progress Meetings – Thursday 9th March 2023

Dear families,

I am really sorry to do this but I need to postpone the Year 6 Progress Meetings scheduled on Thursday 9th March 2023. **These have been moved to Thursday 23rd March 2023.**

A training opportunity for teachers has been moved to the 9th which means these meetings cannot happen as originally planned. On Thursday 16th March 2023, there is industrial action planned by the NEU.

We will keep all appointment times exactly the same but will just move these on two weeks.

If you can still make your original booked time but on Thursday 23rd March, you do not need to do anything – we will look forward to seeing you then.

If you are no longer able to make this appointment time, please contact the school office and we will rearrange this to a convenient time.

Sorry for any inconvenience caused and thank you as always for your understanding.

Kind regards,

Mr Adam Potter
Head of School
