Free Breakfast Club Change

Dear families,

Thank you for making use of our free breakfast club. It means that your children can come to school slightly earlier if needed and make the most of a tasty, nutritional breakfast before the school day begins.

I am pleased to say that I am able to continue offering this for free however the start time of our breakfast club as of **Monday 24th April 2023** will be **8:10am** instead of **8am**. Please do not send your children before this time as they will be waiting outside of the school gate until the gate is opened.

Thank you for your support with this change. If this causes any inconvenience, please give me a ring as I am aware I haven't given much notice of this change.

Mr Adam Potter
